

SCHEDULE REQUESTS FOR SKI LESSONS

MICHIGAN ADAPTIVE SPORTS - 2009-2010 SEASON

THESE FORMS ARE NOT ABLE TO BE FILLED OUT ON LINE. PLEASE PRINT AND MAIL IN!!!!!!

NAME _____

Please indicate which date(s) you would like to ski by circling the dates. Next indicate which preferences you have for ski lesson times by numbering the sessions, beginning with number 1. If you have no preference for time, please number any sessions you would be available with a 1. If you cannot make a particular session, please write "no" next to that session. Please return with your registration materials.

Your cooperation with this form will help us in trying to match up available volunteer instructors with your preferences for times. Keep in mind that the more available you are, the easier it will be to fit you in each day you are interested. However, scheduling also needs to be based on availability of equipment and, sometimes, rotated to give others a chance. Membership does not automatically guarantee skiing each session you request. However, we do try to give priority to members who are also pre-registered

Regarding Crystal Mountain scheduling policies, acceptance for these dates will be on a first come, first served basis from when the official registration form is post-marked. Participants not from the Crystal Mountain/Traverse City area and coming for a "ski weekend" will be accepted to ski one session on Saturday and one on Sunday morning, if they wish. Local people to the Crystal Mountain/Traverse City area will be able to sign up for one Saturday session, but they would be on a waiting list for the Sunday session, if interested.

Learn-to-ski dates and lesson sessions:

PINE KNOB
